## 2007 NEWS LETTER

### INTRODUCTION

Welcome to our 2007 newsletter. We have been out of touch for some time, mainly due to Sacha and Emma having moved to Kenya in the summer. However our work continues!

### THE LIFT IS COMPLETED!!

The amazing news is that after nearly a year and a half the lift has been completed and is working in Saray.

### CHANGE OF DIRECTION

Some sad news is that MaryBeth is finally leaving Azerbaijan after nearly 10 years. This will have a major impact on what we are able to do in Azerbaijan as we will lose our main dedicated and trusted link on the ground. But all is not lost by any

means and we plan to keep our work going in Azerbaijan.

### FUTURE WORK IN AZERBAIJAN

We have a number of projects ongoing this year. The first and most important is the sewage and water supply for the last main block at Saray. We are also buying some more wheelchairs and will be getting decent fire alarms for all the orphanages that we have been involved with.

### FUTURE WORK IN KENYA

We are now looking at two orphanages in Kenya. Our aims and intentions remain the same – sustained infrastructure work through trusted people we know personally on the ground.

### THE BBF WEB SITE

The BBF web site has been completely redesigned and all the information you should want and need to see, from news to finances to general information on projects is all there. Please do have a look and tell us what you think!

### A BIG THANK YOU TO YOU ALL!
